BDCP SDEIS Briefing Paper 08.20.15.docx

Susan,

While you were out, we had the briefing with Ken and Cynthia. One of the outcomes was to schedule a briefing with the Administrator and Deputy Administrator for the first two weeks of September. (I think various folks are working on that). I also alerted Shari today that we think Stan has a meeting with Mike Connors on Friday of this week – likely the continuation of meetings that Mike has had with the DA on this topic over the years. We had hoped to have the briefing before that meeting, but that looks unlikely.

At the end of the briefing, Cynthia asked that I follow up with you on one of the ideas presented in our briefing paper: **Ex. 5 - Deliberative** It is a little out of the box thinking, but I think has some advantages. We should talk this through very soon – at a minimum before the briefing with the Administrator! (Sorry, I should have pinged you earlier!).

Let me know, or my scheduler Clarice Jackson, when you might have some time and we will get this on calendar. Thanks!
